Positions are limited. Application deadline is May 1, 2011

As a full-time university student we invite you to apply for a student staff position during the Madison Early Music Festival. If your application is approved, you will pay only \$195, which includes access to all classes and an All-Festival Concert Pass admitting you to all MEMF concerts. Please note the following stipulations of the position:

- While we work with you to ensure your maximum participation in workshop classes and performances, you should understand that your position fills staff needs for the workshop, and should be prepared to work accordingly;
- You must pay for your own housing and parking (if applicable);
- Should you register for UW-Madison academic credit, your credit fees will be billed separately from workshop enrollment.

Please detach and send in the application below as soon as possible. If your application is approved, we will forward a special Student Assistant Enrollment Form to you. **If your participation in MEMF depends on a Student Assistant position, please do not send in your enrollment form until your application has been processed and you have been notified of acceptance.**
