**Mastering Pastels The Easy Way  
with Betsy Popp**

**Materials fee** (payable to the instructor): \$5

**Out of class assignments:**

We'll work on a painting a day in class. If the student feels the painting needs more work they are encouraged to work on it outside of class but it is not mandatory.

**Supply list:**

At a minimum bring along a starter set of pastels. Be sure the set has several dark colors that don't include black. A drawing board, masking tape, an old stiff paint brush, Bounty paper towel. I will bring in all the pastel paper we will work on and there will be an materials fee for the paper - this way all students will be working on the same surfaces.
