Jointly sponsored by:

Geriatric **Medicine** Psychiatry

O.T.

Social Work

P.T.

NURSING

University of Wisconsin-Madison
School of Medicine and Public Health

University of Wisconsin-Madison
Continuing Studies, Programs on Aging

Dear Colleagues,

We invite you to the first interprofessional conference on Geriatric Psychiatry. This activity represents a joint behavioral health effort to bring mental health colleagues together to better understand care management needs of older adults.

Please join us with expert faculty in geriatric psychiatry who will present the latest evidence based information on the challenges of late-life mental illness. We look forward to seeing you December 2, 2011 at the University of Wisconsin–Madison.

*Suzanna Waters Castillo, PhD and Linda Pittz, BS
Interprofessional Program Coordinators*

Overview and Purpose

The *Archives of Psychiatry*, 1999 consensus statement provides alarming statistics relative to geriatric psychiatry and disorders. Nationwide, approximately 20% of the population 65 and over has a mental health problem and/or disorder. In 2030 it is projected that around 30% of the U.S. population 65 years and older will have a mental disorder. Currently, there are only 29 geriatric psychiatrists in the state of Wisconsin and approximately 8,500 nationwide; there are only 6,500 geriatric social workers nationwide with an estimated need of 64,000 by the year 2030.

While evidence-based research in geriatric mental disorders now provides us with the data and effective methods to assess and treat older adults, few professionals have had the opportunity to study best-practice approaches and are unfamiliar with the unique etiology and symptoms of late-life psychiatric disorders and problems.

To better address these issues, this cutting-edge conference offers you expert didactic, case-study, and role play information. Join us for a highly engaging learning experience on late-life mental disorders across professions where you will be able to learn in a collaborative educational environment.

Agenda

Lecture and Case Study Format

7:30 am	Welcome and overview
7:45	Why Interprofessional Collaborative Care? Suzanna Waters Castillo, PhD
8:30	Recognizing and Assessing for Late-Life Depression Art Walaszek, MD
9:45	Break—View Exhibits
10:00	Distinguishing Dementia, Delirium, and Depression in Elderly Kim Petersen, MD
11:15	Recognizing and Assessing for Late-Life Anxiety Joe Goveas, MD
12:30 pm	Lunch
1:30	Understanding Late-Life Sleep Disorders Tim Juergens, MD
2:45	Break—View Exhibits
3:00	Wisconsin Star Method of Complex Case Assessment Tim Howell, MD
4:15	Conference Summary
4:30	Adjourn

Target Audience and Scope of Practice

This activity is intended for physicians, including family practitioners, internal medicine specialists, and geriatricians; nurses; nurse practitioners; physician assistants; social workers; geriatric care managers; psychologists; psychotherapists; and other healthcare and human service professionals interested in the care and treatment of elderly patients with psychiatric issues.

Educational Objectives

Upon completion of this activity, learners will be able to:

1. Describe national prevalence rates of late-life mental disorders
2. Recognize the challenge of treating late-life mental disorders
3. Identify the distinct clinical presentations of major clinical depression in late life
4. Differentiate late-life depression symptoms from midlife.
5. Understand the comorbid association between late-life anxiety and depression
6. Apply the Sluts, GDS, and HQ-9 screening tools for depression
7. Distinguish late-life sleep problems from sleep disorders
8. Understand the different approaches to screening for sleep disorders
9. Identify three sleep-hygiene methods
10. Understand how the Wisconsin Star Method of Geriatric Assessment is applied to geriatric mental illness

Faculty

Joseph Goveas, MD—Wisconsin College of Medicine,
Department of Psychiatry, Milwaukee, WI

Tim Howell, MD—UW-Madison School of Medicine and Public Health,
Middleton Veterans Hospital—Madison, WI

Tim Juergens, MD—UW-Madison School of Medicine and Public Health,
Department of Psychiatry, Madison, WI

Kim Petersen, MD—ElderAdvocates, Inc., Spring Green, WI

Art Walaszek, MD—UW-Madison School of Medicine and Public Health,
Department of Psychiatry, Madison, WI

Suzanna Waters Castillo, PhD, MSSW—UW-Madison Continuing Studies,
Department of Community Health, Madison, WI

For Further Information

Professional Development

Elements of Competence

This CME activity has been designed to change learner competency and focuses on the American Board of Medical Specialties areas of patient care and medical knowledge.

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of Wisconsin School of Medicine and Public Health and University of Wisconsin–Madison Continuing Studies, Department of Community Health, Programs on Aging. The University of Wisconsin School of Medicine and Public Health is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The University of Wisconsin School of Medicine and Public Health designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Education Units

Completion of the program qualifies for .725 continuing education units (CEUs) or 7.25 continuing education hours. UW-Madison Continuing Studies is an approved CEU provider for social workers, substance abuse counselors, and other professions. For a list of the types of credits offered to program participants check out our website at www.dcs.wisc.edu/pda/social-work-credit.htm.

Conference Completion Report

A conference completion report stating the number of educational hours/credits earned will be mailed 4–6 weeks after the conference.

Policy on Faculty and Sponsor Disclosure

It is the policy of the University of Wisconsin School of Medicine and Public Health that the faculty, authors, planners, and other persons who may influence the content of this CME activity disclose all relevant financial relationships with commercial interests in order to allow CME staff to identify and resolve any potential conflicts of interest. Faculty must also disclose any planned discussion of unlabeled/ unapproved uses of drugs or devices during their presentation(s). Detailed disclosure will be made in the course handout materials.

General Information

The Interprofessional Conference on Geriatric Psychiatry 2011

December 2, 2011

Pyle Center, 702 Langdon St., Madison, WI (on the UW-Madison campus)
608-262-1122.

Course Materials

A printed course syllabus is not provided at the symposium. Upon registration confirmation, you will receive information allowing access to a secure website with the course materials available as PDF files. Presentations can only be posted if permission is granted by the presenter. Presentations will not be posted prior to November 21, 2011.

Room Reservations

A block of rooms has been reserved at Lowell Center, 610 Langdon St., Madison, WI. Call 866-301-1753 or 608-256-2621.

Conference Fee

The conference fee of \$195 includes tuition, materials, breaks, lunch and a nonrefundable registration fee of \$20.

Confirmations

All registrations are confirmed in writing. If you do not receive a confirmation, call 608-262-1397.

Cancellation Policy

If you are unable to attend you must call at least three business days prior to the program to receive a refund. If you cancel less than three business days or do not attend, you are responsible for the entire fee. To cancel or arrange for a substitute, call 800-725-9692.

Program Cancellations

In the event of inclement weather or other emergencies, call 608-263-4432 or visit www.dcs.wisc.edu to learn whether a Continuing Studies program or class has been cancelled.

The University of Wisconsin School of Medicine and Public Health and University of Wisconsin-Madison Continuing Studies fully comply with the legal requirements of the ADA and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please notify Linda K. Pittz at 608-240-6001 or Suzanna Waters Castillo at 608-263-3174.
